

Both Sides Now

Joni Mitchell

Key = A [Capo 2, Key=G]

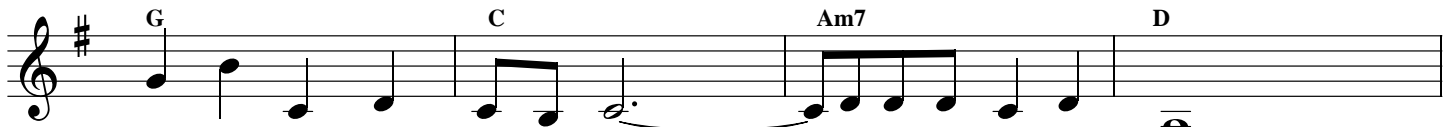

1. Bows and flows of an- gel hair, and ice scream cas- tles in the air, and
 2. Moons and Junes and fer- ris wheels, the diz- zy danc- ing way you feel, as
 3. Tears and fears and feel- ing proud, to say 'I love you' right out loud -.

feath- er can- nons ev- ry where. I've looked at cloud that way. But
 ev- ry fai- ry tale comes real. I've looked at love that way. But
 Dreams and schemes and cir- cus crowds. I've looked at life that way. But

now they on- ly block the sun, they rain and snow on ev- ry one. So
 now it's just an- oth- er show, you leave them laugh- ing when you go. And
 now old friends are act- ing strange, they shake their heads, they say I've changed. But

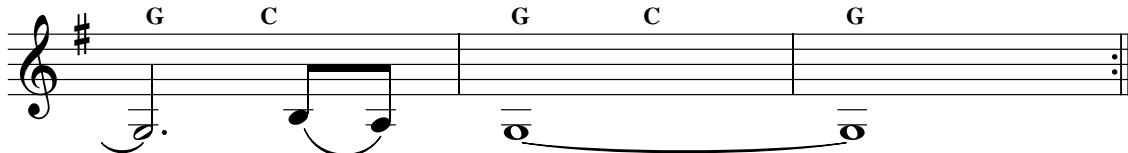

ma- ny things I would have done, but clouds got in my way.
 if you care don't let them know, don't give your- self a way.
 some- thing's lost and some- thng's gained, in liv- ing ev- ry day.

I've looked at clouds from both sides now, from up and down, and still some- how it's
 I've looked at love from both sides now, from give and take, and still some- how it's
 I've looked at life from both sides now, from win and lose, and still some- how it's

clouds' il- lu- sions I re- call. I real- ly don't know clouds
 love's il- lu- sions I re- call. I real- ly don't know love
 life's il- lu- sions I re- call. I real- ly don't know life

at all.
